

Dr. Ing. Libor Husník

Czech Technical University in Prague
Faculty of Electrical Engineering
K13137 Department of Radio Engineering
Technická 2
166 27 Praha 6
tel: +420 2 2435 2115
Room: B3/546
Email: husnik@fel.cvut.cz

Division: Multimedia
Position: Assistant Professor

Diplomas: Ing. (MSc.) 1991, Dr. (PhD): 1995

Courses:

Bachelor Program: X37MTT Multimedia Technology and Television
Y37MM2 Multimedia 2

Master Program: X37ZVT Audio Technology
X37MAV Measurement of Acoustic Quantities

Doctoral Program: XP37ARA Architectural Acoustics

nota: all courses are available in Czech, English and French

Research:

Electroacoustic transducers (transducers with direct D/A conversion)
Subjective evaluation of audio compressing systems quality

(for the up-to-date list of publications: <https://www.vvvs.cvut.cz/search/>)

Professional associations:

Audio Engineering Society (www.aes.org)
Czech Acoustical Society (www.czakustika.cz)
